General Information

1. As this is not only a carnival but also a selection trial for a *Regional Team* to the *State Swimming Trials* a high standard of swimming skill is required. **All** events will be checked for **correct** swimming rules compliance. World Aquatics Rules for all strokes will apply in all events.
2. All competitors must be bona-fide pupils of Queensland Schools.
3. Ages are calculated to the year of birth (e.g. A child born in 2014 is a 12-year-old in 2026)
4. To be eligible for selection into the Darling Downs Regional Team, which will represent the Region at the Qld State Swimming Carnival in 2026, swimmers **must** be in the first 5 fastest times in each event. The State Qualifying Standards are compared to times achieved at the *DD Regional Carnival*.
5. Please report any scratchings *immediately* to the marshalls.
6. Age champions are calculated from places gained in 50m and 100m events with the 200 Freestyle points used for tie breaking. *Points are calculated as follows: 1st - 9 points, 2nd - 7 points, 3rd - 5 points, 4th - 3 points. All competitors from 5th to 100th get 1 point.*
7. Substitutions: Substitution will be allowed only in the heats of individual events, provided that:
 - They have met qualifying times
 - Such notification of substitution must be in the hand of the Meet Director or their nominee **one half-hour** before the start of the first event of the session in which the heats are swum.
 - Such requests for substitution to be in writing and signed by the Team Manager. *Using the substitution form available from the record room.*
 - Certification of correct age, certified by the Principal or Manager, must accompany such request for substitution.
8. Protests:
Any protest or complaint shall be made **in writing, by a Zone Team Manager** to the Referee and handed into the record room within fifteen **(15) minutes** of the occurrences. Protests must, if known before the race, be lodged before the signal to start is given. No protest may be lodged against the decision of the judges or referee in any competition on question of fouling or placing.

SWIMSUIT GUIDELINES

For details see: <https://swimmswimmingausprd.wpengine.com/wp-content/uploads/swimming-australia-inclusive-swimwear-policy-april-2021.pdf>

The swimwear of all swimmers shall be modest, in good taste and must not be transparent.

3.5 Swimwear must be of textile material (i.e. permeable textile open mesh materials such as cotton, nylon, lycra and the like) with no application of surface treatment closing the open mesh structure. Swimwear must not contain any non-textile material such as polyurethane or neoprene.

3.6 Swimsuits which the Technical Manager/Meet Referee believes would be capable of unfairly enhancing a swimmer's performance will not be permitted, this includes compression swimwear that may be tight-fitting and/or increase buoyancy.

3.7 Swimsuits which the Technical Manager/Meet Referee believes would present a genuine safety risk to the wearer or other swimmers will not be permitted, this includes swimwear that may cover the face, prohibit the body from moving freely and/or impedes buoyancy. In accordance with World Aquatics regulations, for open water swimming competitions in water with temperature below 20°C, men and women may use either swimsuits (3.5 above) or wetsuits. When the water temperature is below 18°C, the use of wetsuits is compulsory.

3.8 Swimmers wishing to swim in a modified or alternative swimsuit must (either themselves or their representative) present the suit to the Technical Manager/Meet Referee for inspection prior to the swimmer's first event at the competition for approval.

3.9 Swimmers are not required to justify their choice of swimsuit, however, swimmers may be required to provide information pertaining to items within this policy to assist with the Technical Manager/Meet Referee's decision.

3.10 The Technical Manager/Meet Referee may approve a modified or alternate swimsuit at their discretion and in accordance with this Policy, the Swimming By-Laws, the Open Water Swimming By-Laws and competition rules to the extent they relate to swimwear. The Technical Manager or Meet Referee's decision shall be final.
