Darling 9 -12 years School Sport

Welcome to the 2026 Darling Downs Regional 9 – 12 years Track & Field Championships. Over 600 talented young athletes will be competing over two days - representing their zone and vying for selection into the Regional Team which will compete at the State Championships in October. After the success of the two day format the Regional Championships will be held at The Glennie School and O'Quinn Street Park. Thank you to the teachers, staff and students of The Glennie School for letting us use their wonderful facilities and to TRC and Toowoomba Little Athletics for their support.

The Darling Downs Region has produced many champion athletes with Olympic Gold Medallists Cathy Freeman and Glynis Nunn; Commonwealth Games Record Holder and Gold Medallist, three times Olympian Justin Anzelark; three times Olympian Matthew Denny (Bronze Medallist at the recent Paris Olympics) and Olympian Patrick Tiernan all performing in the same Championships that you are competing in today. The focus for these athletes was always to do their best when competing, have confidence in their own ability and respect their fellow competitors.

Remember these Championships are not just about winning but about fair competition, enjoyment and knowing that you did your best on the day. To take part means that you are a gifted athlete. To be a good sport means that you are a gifted person.

To the many officials, parents, teachers and coaches who support and encourage those competing over the two days, we offer our sincere thanks.

We wish all participants an enjoyable and successful Regional Championships.

Parent and Community Code of Conduct

Supporting learning, wellbeing and safety in every Queensland state school

We welcome parents¹ and other members of our diverse community into schools across Queensland.

Working together with their school community², school staff support the learning and wellbeing of every student, and are entitled to a safe work environment.

Parents and other visitors to schools support safety by ensuring their communications and conduct at the school and school activities is respectful.

Elements of engagement	It is expected that parents and visitors to our school communities will:	Parents and visitors to our school communities demonstrate this by:
Communication 	• be polite to others • act as positive role models • recognise and respect personal differences • use the school's communication process to address concerns	• using polite spoken and written language • speaking and behaving respectfully at all times • being compassionate when interacting with others • informing staff if the behaviour of others is negatively impacting them or their family • respecting staff time by accepting they will respond to appropriate communication when they are able • requesting a meeting to discuss any concerns about their child's education — allowing staff time to prepare and appreciating their time may be limited
Collaboration 	• (parents) ensure their child attends school ready to learn • support the Student Code of Conduct	• taking responsibility for their child arriving and departing school safely on time every day • reading and encouraging their child to understand and follow the Student Code of Conduct
School Culture 	• recognise every student is important to us • contribute to a positive school culture • work together with staff to resolve issues or concerns • respect people's privacy.	• valuing each child's education • acknowledging staff are responsible for supporting the whole school community • speaking positively about the school and its staff • not making negative comments or gossiping about other school community members, including students — in person, in writing or on social media • understanding, at times, compromises may be necessary • considering the privacy of all school community members at all times, and understanding that the school cannot share confidential information.

¹The term 'parent' refers to parents, carers, guardians and people who exercise parental responsibility for a child.
