INTRODUCTION

Welcome to the 45th annual 13-19 Years Track and Field Championships for the Darling Downs Region. These Championships represent the culmination of effort of the best athletes competing from the three Darling Downs Districts (Toowoomba, Inner Downs and Border) in forty-one schools.

More than 1300 entries have been received for the 176 individual events that will be decided over two days of intense competition.

I am sure that the standards will continue to reflect the high quality of athletes throughout the Darling Downs.

In excess of 480 students from the region will take part in these Championships, all striving for places in the Regional Team and entry into the State Track and Field Championships to be held at QSAC from October 15 - 18.

To the Toowoomba Regional Council and The Glennie School Staff – thank you for allowing us to use your facilities.

To the teacher officials, school coaches and team managers who work so hard to make these Championships possible for the students, we say thank you.

To the students who now represent their schools and strive for higher honours, we wish you the best of luck.

And to all teachers, students and spectators alike, we trust that you will simply enjoy the competition, for if we achieve this aim we shall all be winners.

SELECTION POLICY

SELECTION INTO THE DARLING DOWNS TEAM.

- Team selection is based on performances at the Darling Downs trials.
- Initial Qualifying times/distances used are those published by Queensland Secondary Schools Athletics for the Queensland Schools Track & Field Championships. Subsequent selections will be made using Darling Downs Regional Selection Standards.
- Qualifying performances can be achieved in any one of: an event heat, semi-final, or final. Times from heats or semi-finals can only be considered if the athlete actually competed in the final.

INITIAL SELECTIONS

- Any athlete recording a performance equal to, or under the published qualifying standards at the regional trials will be selected on the day of the trials. (Primary selections based on published manual times, not electronic times).
- Primary selections will be made & advertised on the day of the regional trials.
- Track times can come from heats or final times but only competitors who make the final are eligible.

SUBSEQUENT SELECTIONS

- All performances will be reviewed by Regional Selectors for additional qualifying performances
- A first and second placing can allow an athlete a place in the team even if their performance doesn't meet the qualifying standards, though this is subject to selectors' discretion, requiring a time/distance close to the Regional Standards used for subsequent selections.
- Students who have submitted special consideration applications will be considered for selection if they have met the published requirements:

Conditions for special consideration for selection will be -

1. Illness with a medical certificate presented **by 4:00 p.m. on the day prior to events.**
 2. Attendance at Queensland Secondary School or School Sport Australia Championships on the day of the championships.
 3. A completed "Special Consideration" form with times/distances recorded in the current season, verified by the School Manager.
- One relay team per age group will be nominated for the state titles, based primarily on 100m times recorded at the regional trials, followed by other recent relevant performances. Students wishing to be part of a relay team need to complete & return the nomination form included in team paperwork.

SELECTION PACKAGES

Packages of paperwork for "SELECTED" students will be available within the administration tent. Students are required to check RESULTS BOARD. Selected athletes will be highlighted on results board. Those students selected are required to collect an information package as soon as possible after the event.

IMPORTANT: QRSS SELECTION

Please note that Queensland Representative School Sport (QRSS) confirms the following information for 2026:

- The QRSS Pathway for 13-19 Years athletes ends at the QRSS State Championships, as it did in 2023 and prior years. However, athletes should be able to use results from the QRSS event to qualify for the 2026 Australian Track and Field Championships. (please note that this is still subject to the QRSS meet receiving endorsement from Queensland Athletics (QA)).

QA made a change during the 2023 Track and Field season, choosing to hold their own event for team selection to the All-Schools Championships. This decision was made independently by QA. **Therefore, 13-19 years athletes who wish to participate in the All-Schools Championships will need to compete at the QLD Athletics All Schools Championships in Brisbane in late October/early November.**

BEHAVIOURAL EXPECTATIONS OF STUDENTS ATTENDING THE CARNIVAL

AREAS OUT OF BOUNDS

Students at the carnival should be supervised by teacher throughout the period of the carnival. No persons, other than Principals, active officials and active competitors, are permitted in the arena. Competitors in the arena awaiting a proximate event are to sit on the ground while races are in progress. Field throwing event areas are delimited by cones/flags. All students must keep out of these areas at all times.

TOILET FACILITIES

Team managers and coaches are asked to check on the behaviour of students in toilet areas throughout the two days of the carnival. Any student found smoking or causing damage to property will be disqualified from all events at the carnival. If vandalism has occurred School Principals will also be advised.

CARNIVAL OBLIGATIONS

The Carnival Organization Committee will be keeping a record of all competitors who fail to take part in events for which they nominate, and advising their School Principals.

FACILITIES FOR SPECTATORS AND COMPETITORS

FIRST AID

A Sports Medicine Officer will be in attendance on both days. It is the responsibility of Team Managers to follow through with any first aid or medical treatment required by their athletes. Our facilities are provided to assist Managers, not to assume their responsibilities.

TOILETS

Boys and girls toilets are available.

SEATING AND SHELTER

Competitors and spectators should bring their own chairs if they do not wish to sit on the grass beside the track. Areas for tents will be allocated.

PLACEGETTERS' MEDALLIONS

Medallions for 1st, 2nd and 3rd in all events will be presented when the results of individual events are finalized. It is the student's responsibility to go to the dais in the vicinity of the DD Tent to be presented with their medallion.
