DARLING DOWNS SCHOOL SPORT
UNIFORM POLICY

RATIONALE

1. The Darling Downs School Sport Board has uniforms for its teams to:
   
   a) Identify team members in team games
   
   b) Give team members a sense of belonging to the team
   
   c) Provide a practical recognition of a student’s achievement of excellence

2. Provide recognition of the voluntary service given by team officials to the promotion of programs of this Board and of its Secondary and Primary Management Committees.

POLICY

1. The Darling Downs School Sport Board requires all members of Regional Teams to purchase / hire their own playing uniforms as a condition of selection in that Regional Team.

2. The Board requires all members of Regional Teams to purchase their own Regional Travel Shirt, hat or cap and water bottle as a condition of selection in that Regional Team.

3. The Board will provide a range of quality clothing as optional items for purchase by team members, team officials (convenors, managers, coaches), members of the Board and representative members of the Regional Secondary and Primary Management Committees.

4. Team members and officials will maintain a standard of dress at the championship’s venue which identifies them as a Darling Downs Regional Team member. This will be determined by the team management in consultation with the Regional Sports Officer

PROCEDURES

1. Provided the uniform is acceptable to team management and in reasonable condition, a student who has been selected in a Regional team in a previous year may wear the uniform purchased for the earlier occasion.

2. All Regional team officials will be provided with a notional uniform allowance.

3. A hat which offers reasonable protection from the sun will be offered to all members of all Regional teams competing outdoors.

4. A profit margin, as set by the Board at the beginning of each financial year, shall apply to the selling price of all uniform items.

5. The Regional colours will by royal blue, red and white. The design of Regional uniforms and optional clothing should reflect these colours.
